GENTLEMEN:—The Monarch Range which I purchased from you is all that you said it was. It is labor saving on account of not having to be polished; it always remains bright and clean. It is indeed very satisfactory, and I find that we are saving fuel. It is an excellent baker and it is with pleasure that I recommend it to my friends. Yours very truly,
THOS. DEALEY.

Two Gold Medals

AWARDED

The MONARCH

At The Lewis & Clark Exposition

Monarch
MALLEABLE
The 'Stay Satisfactory' Range

Monarch
MALLEABLE
The 'Stay Satisfactory' Range

Two Gold Medals Awarded the Monarch at the Lewis and Clark Exposition, the first and only time this Range was ever shown at an exposition.

No grand prizes were offered, but the Jury on Stoves and Ranges voluntarily manifested their high esteem of the Monarch Range by writing the letter reproduced here.

Several Gold Medals were awarded different Range and Stove manufacturers for various things—the Monarch received two. But it remains for the Monarch alone to receive the unqualified endorsement of the Jury, as is evidenced by this letter.

This Demonstrates beyond the shadow of a doubt the superiority of the Monarch over all others.

No other Range or stove exhibited was, in the opinion of the Jury, equal to the Monarch.

Pages of matter in praise of this Range could not speak as convincingly as does this letter, written by men of undisputed judgment and knowledge.

An examination of the MONARCH Range at our store will prove to any one the justice of this verdict.

Mr. J. V. Rogers.

c/o Malleable Iron Range Co.'s Booth,
Manufactures Building,
Lewis & Clark Fair, Portland.

Dear Sir:

I am in receipt of your letter of thanks and appreciation in receiving the gold medal, (highest award) on Monarch Malleable Ranges.

It may please you to know, as the jury awarded the gold medal on first ballot and had there been any higher prize offered, the Monarch Range would certainly have received it.

We found the Monarch the best finished and best constructed Range with more special features than any other Range on exhibit.

Jury on Stoves and Ranges.
